-----**NARRATIVE:**

On 9/18/21 at approximately 1902 hours, Dep. Pace, Dep. Nelson, Dep. Cox and I (Dep. Mohawk) responded to the listed location for the report of a family dispute.

On scene I contacted the female reporting party still holding her cell phone and walking in the street. Central Dispatch was unable to obtain her name, also she refused to provide her information on scene after Dep. Pace did not allow her to return to the garage when we first arrived on scene. She was uncooperative and did not want to follow Dep. Pace's orders. She also said she would not provide a statement.

A male, later verbally identified as [REDACTED] [REDACTED] came stumbling out of the house with no shirt on. The unknown female told us [REDACTED] was "on of them" who was fighting. I contacted [REDACTED] in the driveway and he told me he and his brother, O- Luke E. Sommer were just in a physical fight. [REDACTED] [REDACTED] [REDACTED]  
[REDACTED] [REDACTED]

Luke came walking out of the house and was immediately detained in hand-cuffs. He briefly tensed up, pulled his left hand away from me and slightly leaned forward. He complied after he was warned. I could smell the strong odor of an alcoholic beverage emitting from his breath and person. I chose to sit him down on the front step and continue my interview with [REDACTED]

[REDACTED] said Luke was drinking and become upset when he could not find his keys. [REDACTED] admitted a family member hid his keys somewhere in the house, but the female interjected and said something to the affect "you don't need to tell them that". [REDACTED] told me Luke is [REDACTED] and was adamant that he drive to work. When [REDACTED] tried to stop Luke from leaving the fight became physical. [REDACTED] told me he wanted Luke placed under citizens arrest for battery.

I went inside of the home and contacted [REDACTED] and Luke's [REDACTED] [REDACTED] [REDACTED] and another family member, [REDACTED] [REDACTED] [REDACTED] told me both brothers were drinking. When [REDACTED] attempted to stop Luke from drinking and driving Luke became physical and both brothers fought. She even said Luke did find a spare key and attempted to start his car, but he car was not working.

[REDACTED] was hesitant to share details and said she will not be a witness. At one point she attempted to go outside, contact [REDACTED] and demand he not pursue charges.

[REDACTED] agreed with [REDACTED] statement, however, he believed Luke was the predominant aggressor since [REDACTED] was simply trying to stop Luke from drinking and driving.

I re-contacted Luke sitting on the front step. Dep. Pace told me he read Miranda to Luke. I told [REDACTED] to tell me his side of the story, but he plead the fifth.

██████████ and ██████████ statements, Luke's intoxication and ██████████ I believed a fight did occur between the brothers over Luke's intoxication, and his idea to drive to work intoxicated. Therefore I had ██████████ fill out the citizens arrest form (Statement of a Private Person's) and sign it. He also signed citation #KC199223 charging Luke for battery and told Luke he was under citizen's arrest.

Luke was transported to PSB and released into the custody of PSB staff. His citation was placed into his property and a copy of the citizen's arrest form was placed into the main distribution basket along with the citation.

\*\*\*\*\*DEPUTY'S SUPPLEMENTAL REPORT\*\*\*\*\*

On 9/18/21 at approximately 1902 hours I, (Pace), responded to assist Deputy Mohawk with an in-progress physical family dispute at 10571 N Camp Ct, Hayden ID.

Deputy Mohawk and I contacted and detained a male, O-Luke E. Sommer. While Deputy Mohawk interviewed the other parties, I stayed with Luke and read him Miranda. Luke said that he understood and wanted to speak to me. Luke had glassy bloodshot eyes and had the odor of an alcoholic beverage coming from his breath and person. Luke's speech was slurred. Based on my training and experience, I believe that Luke was heavily intoxicated.

[REDACTED], [REDACTED] He did not want any medical attention. I photographed his injuries and uploaded them to KCSO Evidence.

Luke said that he attempted to leave for work and [REDACTED] told him he was too drunk to drive. Luke would not tell me the nature of the fight or [REDACTED] Later in response to a question about how he got injured Luke said "he had not been in a fight with his brother since they were 14."

Luke was placed under citizen's arrest by his brother for battery.

I had no further involvement in this case.
